

Mercedes-Benz serie 124 / 124-series

Distribución de fusibles / fuse designation

124 545 06 00

124 545 06 00

fuse designation

fuse nr 8 A (white) 16 A (red) 25 A (blue)

1 cigar lighter, switch heatable rear window, glove compartment light, rear wipe/wash system (radio)

2 wipe/wash system, optical horn (relay headlamp cleaning unit term 86, relay confort circuitry term 86)

3 parking/tail light right, warning buzzer, illumination: license plate, instrument, control elements (headlamp cleaning unit)

4 fog light, rear fog light

5 stop lamp, instrument, front roof light, electric bulb control unit (cruise control, tachometer)

6 turn signal lamp, horn (outside temperature gauge)

7 back-up lamp, heating water valve, water pump, engine fan, heating system for washer jets, climate control system (relay auxiliary fan term.86, aut. transmission electrics, switch over valve, ignition change over, blower motor inside temperature sensor, air condition compressor)

8 parking/tail light left

9 diagnostic term.6, hazard warning system, clock, front roof light (electronic radio, vanity mirror light, relay confort circuitry term.86)

10 heatable rear window

11 carburetor electrics

12 blower motor

13 low beam left

14 low beam right

15 high beam left

16 high beam right, high beam indicator

A (ortho, back rest, sliding roof, seat heating front, folding heat, restraints/rear compartment)

B (adjustable, heated outside mirror, rear heater)

C rear roof light, trunk light, rear door locking system (central lock, system, door lights, reading lamps/rear compartm., aut. antenna, control unit sead adjustment memory, trailer turn signal control unit)

D auxiliary fan

E (front seat adjustment, jacket tube adjustment-memory)

F (front seat adjustment, jacket tube adjustment)

G (window lift front left a. rear left)

H (window lift front right a. rear right)

Digitalizado por / Digitalized by:
Gustavo Genez (w124py.com)

Esta digitalización fue realizada respetando los márgenes originales del fuse designation que viene en la tapa de la fusilera.

This digitization was carried out respecting the original margins of fuse designation coming on the fuse box cover.
