

Mercedes-Benz serie 124 / 124-series

Distribución de fusibles / fuse designation

124 545 15 00

124 545 15 00

fuse designation

fuse nr 8 A (white) 16 A (red) 25 A (blue)

1 cigar lighter, switch heatable rear window, glove compartment light, rear wipe/wash system (ortho back rest, folding head restrains/rear compartment, radio)

2 wipe/wash system, optical horn, (relay headlamp clean unit term.86, relay confort circuitry term.86)

3 parking/tail light right, warning buzzer, illumination: license plate, instrument, control elements (head lamp cleaning unit)

4 fog light, rear fog light

5 stop lamp, instrument, front roof light, electric bulb control unit (cruise control, tachometer, trailer control unit)

6 turn signal lamp, horn (outside temperature gauge)

7 back-up lamp, heating water valve, water pump, engine fan, heating system for washer jets, climate control system (relay auxiliary fan term.86, aut. transmission electrics, switch-over valve ignition change over, air condition compressor *)

8 parking/tail light left

9 diagnostic term.6, hazard warning system, clock, front roof light (electronic radio, vanity mirror light, relay confort circuitry term.86)

10 heatable rear window

11 gear box oil cooler (carburetor electrics)

12 blower motor **

13 low beam left

14 low beam right

15 high beam left

16 high beam right, high beam indicator

A (sliding roof)

* (window lift middle *)

B safety belt handover arm (adjustable, heated outside mirrors, rear heater, roller sun visor)

C rear roof light, trunk light, rear door locking system, safety belt handover arm, seat back arrester (central locking system, door lights, reading lamps, aut. antenna, control unit seat adjustment)

D (auxiliary fan)

E (front seat adjustment, jacket tube adjustment-memory)

F (front seat adjustment, jacket tube adjustment)

G (window lift front)

H (window lift rear)

** with automatic climate control:
fuse outside fuse box
outside fuse box:
seat heating front, trailer coupling

Digitalizado por / Digitalized by:
Gustavo Genez (w124py.com)

Esta digitalización fue realizada respetando los márgenes originales del fuse designation que viene en la tapa de la fusilera.

This digitization was carried out respecting the original margins of fuse designation coming on the fuse box cover.

Corta en la línea punteada
Cut into the dotted line
